THIS MEMO MAY CONTAIN PRIVILEGED ATTORNEY-CLIENT COMMUNICATIONS

Cabot's counsel called to "introduce" Cabot's other firm to me, Bracewell & Giuliani, which she stated would be "handling Cabot's response to the EPA letter going forward." Doug Frankenthaler joined me on the call.

We discussed the meeting:

Initial proposed dates: week of 2/20: 2/21, 2/22, or 2/23

Agenda items were not proposed, except for possibly them discussing the work Cabot has done in the area. Expected time is 90 minutes - 2hrs.

Proposed attendees: Kevin Cunningham, General Counsel of Cabot, a technical person, and Cabot's lawyers (Bracewell & Guiliani + Fulbright). They need to confirm exactly who the technical person would be and get back to me.

Also, they are on target for sending additional Cabot sampling data on 2/3, in response to the 104e letter, and stated it will amount to about 100,000 pages on cds.
